

JULY newsletter

4th of July NOISEMAKER

Materials:

Two paper plates, red, white and blue paints, dried beans, stapler, scissors, paint brushes, and tape.

Instructions:

Cut smile shape from the inner circle of both paper plates. Then cut across so you have removed a "D" shape from each plate. Allow your child to paint the outer side of both paper plates. Once the plates have dried, staple the bottom edges (make sure to staple close enough together that the beans do not fall out). Fill the inside of the pocket with dried beans then staple the pocket closed. Use tape to close the top "handle" shut.
